

► Fostering is an ideal activity for people that love animals but cannot commit to having a lifelong pet in China.

► Most animal rescue groups in Shanghai do not have a shelter, so they depend on the help of rescuers and foster parents.

► It is a rewarding experience to give an abandoned and/or mistreated animal a second chance in life.

JAR's

New partnership needed in Pudong for Adoption Day

Every year many animals are born and abandoned in Shanghai. JAR does its best to rescue, rehabilitate and re-home abandoned animals. However, a major problem is that we need to reach different communities within the city of Shanghai, so we need "pet friendly" venues to hold our events.

Helping abandoned animals to have a second chance in life ...

Jaiya's Animal Rescue is extremely grateful to Café Du Monde for all its support during last year 2010 by allowing us to hold several Special Animal Adoption Days in Pudong.

Sadly, Café Du Monde has closed their premises, so JAR needs a new partner in Pudong to hold "Special Adoption Days" that can help us to reach the community on the other side of the Huangpu River.

If you have a venue in Pudong and want to support our cause, please send us an e-mail.

Thank you!
